- School District 67: Okanagan Skaha
- School District 83: Okanagan/Shuswap

Re: Adams River Salute to the Sockeye 2010, curriculum program

Good morning

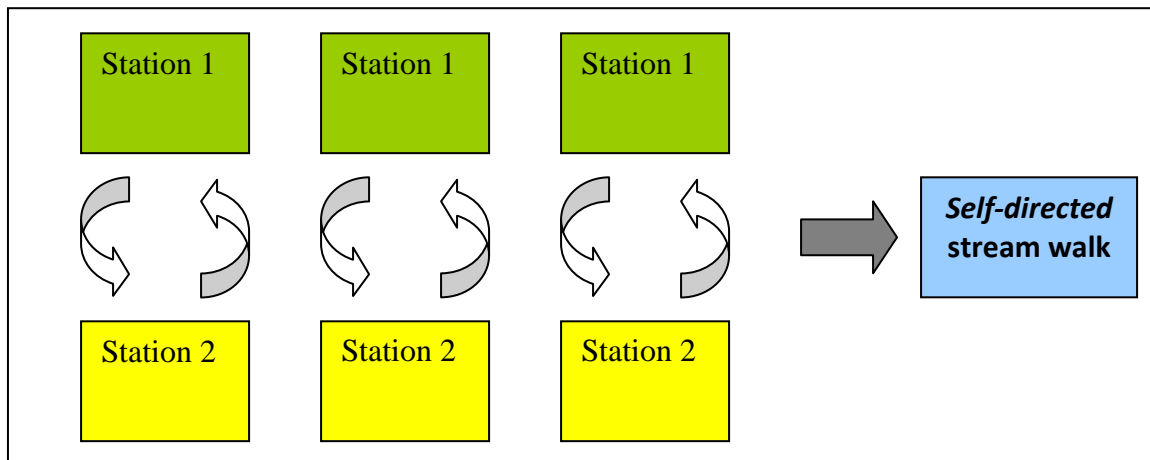

This letter outlines the coordinated curriculum schedule for the 2010 Salute to the Sockeye celebration, October 2-24, 2010 at Roderick Haig Brown Provincial Park.

General Information

- The 2010 Salute to the Sockeye will be held October 2 – 24, 2010
- School Programs will be provided for Grades 2-5 only.
- School Programs will be offered between 9am and 1 pm, Monday through Thursday, with the exception of October 11th (Civic Holiday).
- School Programs are free.
- School programs are filled on a first come – first served format. No bumping of schools will occur without the affected school being informed and concurring.
- Any adjustments to the school schedule must be negotiated by the affected schools. We are not able to provide mediation.

The School Program

The 2010 school program has changed! The 2010 school program now consists of two interpretive stations, rotated each 15 minutes, then a ***self-directed stream walk***. A complete schedule is available at: http://www.salmonsociety.com/events/salute/Salute_school_schedule.html

School programs can accommodate up to 120 students per time block (30 minutes). This works out to 20 students per station, rotated at 15 minute intervals.

Stream Walks are self-guided by the teacher. Interpreters will not be available for this segment of the tour. Teachers will be provided with a self-guided tour information pamphlet which includes map and station information (what should be discussed at each station).

School Programs should be booked by contacting Jeremy Heighton at Fisheries and Oceans Canada at (250) 851-4824, or by email at: jeremy.heighton@dfo-mpo.gc.ca.

School programs are booked on a first-come, first served basis, as evidenced by time stamp of email, or date and time of voicemail. If you use both mediums to book your space, please indicate you have done so, to ensure no duplication occurs.

The Site:

Roderick Haig Brown Park is located near Squilax (Shuswap Lake) about 45 minutes east of Kamloops or 45 minutes south-west of Salmon Arm on Highway One.

- The site has port-a-potty and outhouse facilities.
- While there are no on-site telephones, weak cellular service is available.
- Concessions are available for water and food items. A healthy packed lunch is suggested.

Thank you for your interest in the 2010 Salute to the Sockeye,

Any Questions regarding the 2010 educational component should be directed to:
