I'm A Little Salmon

I'm a little Salmon, watch me go!
I can swim fast and I can swim slow.
When the Orca's come out, I dare not play!
I dive down deep and swim away!

I'm A Salmon Song:

Just a little egg I am,
Buried in the rocks and sand.
Soon I'll be an egg with an eye.
Then an Alexis, then a fry.

I'm a salmon! (Clap! Clap!)
I'm a salmon! (Clap! Clap!)
I'm a salmon! I'm a salmon! I'm a salmon! (Clap! Clap!)

Just a little smolt I Am,
Try to catch me if you can!
Predators think I look Tasty,
So I hide Under trees and leaves.

I'm a salmon! (Clap! Clap!)
I'm a salmon! (Clap! Clap!)
I'm a salmon! I'm a salmon! I'm a salmon! (Clap! Clap!)

Great big salmon that I am,
Swimming in the big ocean!
Back to the river I smell my way,
Maybe meet me kids some day

I'm a salmon! (Clap! Clap!)
I'm a salmon! (Clap! Clap!)
I'm a salmon! I'm a salmon! I'm a salmon! (Clap! Clap!)
