

BIG Little Science Centre
Program Registration Form

458 Seymour Street, Kamloops, B.C.
250-554-2572 blscs@blscs.org

Information:

Programs may be run at your school (inside the gym or outside), at the science centre, or at an outside location of your choice. Programs at your school are about 1 hour long. We are able to provide programming for multiple classes (one at a time), over the course of a day or more. Programs done at the science centre last about 1.5 hours and include time in the hands-on room. Two classes from the same school may be at the centre at the same time, flipping between programs.

Cost is \$10 per student, per program. Adults are free. A mileage fee of \$0.68/km return, will be included, for travel outside of Kamloops.

At BIG Little Science Centre hand sanitizer will be used; upon arrival, as needed during the visit, at departure. Only adults who are normally educators in the classroom should be included in your visit. No snack or lunch breaks are allowed inside the centre.

Program Registration for BIG Little Science Centre
