

BIG Little Science Centre

Educational Programs for Students

458 Seymour Street, Kamloops, B.C.
250-554-2572 blscs@blscs.org

Information:

Programs may be run at your school (inside or outside), at the science centre, or at a location of your choice. Programs at your school are about 1 hour long. Programs done at the science centre last about 1.5 hours and would include time in the hands-on room and could include a snack break.

Cost is \$10 per student, for all programs. Adults are free.
A mileage fee of \$0.58/km return, will be included, for travel outside of Kamloops.

All programs are subject to current provincial Covid-19 Public Health Office orders. For visits by or at BIG Little Science Centre, we require everyone to wear a mask. Hand sanitizer will be provided at our centre, we will wear masks, the centre will be sanitized, **your group will be the only one present**, and we will provide individual sets of materials for each student.

Program Registration form for BIG Little Science Centre
